- # of Jobs: 5

- Payroll: \$400,000

Retail and Restaurant Projects:

These are leads and projects that came to us from a variety of resources and are from retail, food service and entertainment industries. These are what we call soft-infrastructure jobs as they provide needed resources for our industrial, technology and office employers and their employees. They contribute greatly to the quality of life that makes our community more attractive to these other types of employers. They are not duplicated in any of the other sections of this report. The statistics are updated on a weekly basis.

- Total Lead Opportunities: 59
- RFI's Submitted: 59
- Main Reasons for not submitted: N/A
- Presentations to Companies: 59
- Site Visits: 59

Glossary:

- Lead – Information was requested by a company, site consultant, real estate professional or developer for a specific company.
- RFI's Submitted – We prepared and submitted a proposal for these requests for information (RFIs).
- Presentations – We met with a company or its representatives at a location other than one of our sites or buildings.
- Site Visit – A company or its representatives visited one or more of our sites or buildings.

- Projects Completed – Projects for which all incentive and assistance granting bodies have finalized their packages, those packages have been accepted by a company and the company announces its plans to locate, expand or stay.
- # of Jobs – Jobs that are created or expanded WHEN a project is completed.
- Payroll – New or expanded payroll generated WHEN a project is completed.
- Investment (\$) – The amount a company intends to spend on real estate, construction, machinery and equipment WHEN a project is completed.

Economic Climate

Leads from JobsOhio and Columbus2020 are 72% higher than in August 2016. Our local industrial leads are 95.5% higher than August 2016. Tech/Office/Medical leads are at the same pace as August 2016. Our directly generated target industry leads have also exceeded leads generated from our JobsOhio and Columbus2020 economic development partners for the first time in recent history with 52% more of those leads coming directly to us. Retail/Restaurant leads also are still tied with 2016 numbers.

Our business retention and expansion visits are up 31% over 2016 and we are seeing 14% more visits convert into projects.

Website

In August, website traffic increased slightly over July, 2017. Visitors also looked at more pages while at our site. Traffic from referral sites including media outlets increased 8%. Other website visitation statistics remained relatively similar from year over year.
